

# South Bay Salt Pond Restoration Project

Alternative B: Ravenswood Managed Pond Emphasis  
DRAFT

## LEGEND

- Project Area
- Infrastructure Features**
- Highway
  - Railroad
  - Overhead Power Transmission Line
  - Sewer Force Mains
  - Underground Distribution Line
- Recreational Features**
- I Interpretive Trail
  - H Historic Site
  - K Kayak Launch
  - V Viewing Opportunity
  - Existing Trail (to remain)
  - Existing Trail (to be removed)
  - Year-Round Trail
  - Proposed Trail (Outside of Project Area)
- Habitat Features**
- Tidal Habitat
  - Upland Transition Area
  - Managed Pond
  - Tidal Habitat (Outside of Project Area)
  - Potential Freshwater Input
- Flood Management Features**
- Flood Protection (Existing + Proposed)
  - High Ground

Map datum and projection: NAD83, UTM Zone 10N  
 Map data: Siegel & Bachand, 2002 (sewer force mains, H.H. Aqueduct, powertransmission lines, distribution line), Cargill (pond boundaries), SFEI (baylands), EDAW (Highways), NASA (South Bay Imagery)  
 Map by: EDAW Inc. Map date: October 19, 2005
