

Alternative A: No Action  
Eden Landing  
DRAFT

South Bay Salt Pond  
Restoration Project

**LEGEND**

**Project Area**  
 Project Area

**Infrastructure Features**  
 Highway  
 Sewer Force Mains  
 Railroad  
 Overhead Power Transmission Line  
 Underground Distribution Line

**Habitat Features**  
 Seasonal Ponds  
 High Salinity Ponds  
 System Ponds  
 Managed Pond  
 Water Control Structure  
 Tidal Habitat  
 Seasonal Ponds/Managed Ponds  
 Seasonal Ponds/High Salinity Ponds  
 Muted Tidal  
 Potential Freshwater Input

**Flood Management Features**  
 Existing Flood Protection Levee (Not necessarily certified by FEMA)  
 Existing High Ground

**Recreation Features**  
 Existing Bay Trail (Spine)  
 Existing Other Trails  
 Existing Bay Trail (Spur)

1,300 650 0 1,300 Feet  
 600 300 0 600 Meters

Map datum and projection: NAD83, UTM Zone 10N  
 Map data: Siegel & Bachand, 2002 (sewer force mains, H.H. Aqueduct, power transmission lines, distribution line), Cargill (pond boundaries), SFEI (baylands), EDAW (Highways), NASA (South Bay Imagery)  
 Map by: EDAW Inc. Map date: October 19, 2005
